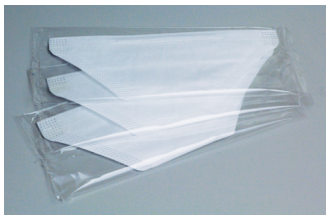
GERSON®

3230 - Extreme Comfort™ N95 RESPIRATOR

NIOSH Approved: TC-84A-9285 MADE IN U.S.A.

3230

3230 Folded in Package



The Emergency Use Authorization (EUA) issued by the Food and Drug Administration (FDA) on March 2, 2020 permits use of this NIOSH certified respirator in medical settings to mitigate transmission of COVID-19*.

- Up to 50% lower breathing resistance compared to many molded N95 designs.
- Durable outer layer and super-soft liner - Made to withstand hardworking environments while providing all day comfort.
- Folded, pouch style design for easy carrying and compact storage.
- Individually packaged to help maintain cleanliness and reduce the risk of contamination.
- Synthetic rubber head straps designed for a comfortable and secure tension profile and extended life. Not made with natural rubber latex.
- Staple-free construction for comfort and safety.
- Adjustable enclosed nosepiece helps reduce potential fogging of eyewear.
- Meets CDC Guidelines for TB Exposure Control.
